AFGHANISTAN EMERGENCY

Summer 2014

Islamic Relief USA

WORKING TOGETHER FOR A BETTER WORLD.

UPDATED: AUGUST 2014

ISLAMIC RELIEF USA

AFGHANISTAN EMERGENCY: SUMMARY

Heavy rains in Afghanistan have caused flash flooding in the region, and heavy rains in Badakhshan, a remote part of northeastern Afghanistan, triggered a landslide.

Islamic Relief is currently responding to the effects of the flooding in Afghanistan by providing food aid to those affected in the highest priority provinces.

Islamic Relief is monitoring the situation very closely for more developments and ways to help the emergency response in other areas. The number of people affected by floods in Afghanistan rose to more than 120,000 people in 16 provinces (85 districts).
