# CHARITY STARTS AT HOME—IRUSA NEVER FORGETS NEIGHBORS IN NEED

HOMELESSNESS, HUNGER, AND POVERTY AREN'T JUST INTERNATIONAL CONCERNS—CHARITY STARTS AT HOME. BECAUSE OF GENEROUS DONORS LIKE YOU, EACH YEAR ISLAMIC RELIEF USA DISTRIBUTES AROUND \$5 MILLION TO FUEL HUNDREDS OF PROJECTS THAT SERVE PEOPLE IN THE UNITED STATES.

Islamic Relief USA has been sharing humanitarian aid with families in need in the United States since its founding in 1993. Thanks to the support of donors like you, we're making notable strides in the humanitarian sector here in the United States, and across the globe.

IRUSA implements projects that directly address critical issues like food insecurity, poverty, domestic violence, access to housing and education, refugee resettlement, and more. The aid we give prioritizes the United States' most vulnerable people.

IRUSA also prioritizes responding to national emergencies, which paved the way for the creation of the national Disaster Response Team (DRT) in 2011. DRT provides vital support to survivors of some of the country's worst natural disasters and tragedies. DRT responds to survivors of tornadoes, hurricanes, and wildfires, and also offers unwavering support in the face of senseless tragedies.

The following pages highlight just a few of our current country-wide projects.

## MAKING A DIFFERENCE FROM COAST TO COAST

Did you know that Islamic Relief USA has seven regional offices across the United States? Our locations near major cities mean even greater impact for those we serve. They also increase effectiveness when it comes to program implementation, seasonal projects, and fund development.

Qurbani/Udhiyah donations provide important nutrition, especially for growing children. In 2019, IRUSA supported partnership programs across the US that provided critical food aid to neighbors in need.

**YOUR GIFTS OF MEAT

Every January, IRUSA hosts service projects nationwide in honor of the Martin Luther King, Jr. Day of Service federal holiday. Nationwide efforts harnessed the power of volunteers, who helped distribute basic living essentials, emergency assistance, and food to fellow neighbors in need. The MLK Day of Service is an initiative that allows all Americans, from all walks of life, to come together.

# CELEBRATING THE SUCCESSES OF SEASONAL PROGRAMS

The events provide access to basic living essentials, medical services, and other relief services through Islamic Relief USA and its local partners.

## TURKEY MEAL DISTRIBUTIONS: GIVING BACK TO THOSE IN NEED

**This initiative distributes thousands of turkeys each year.**

During the fall holiday season, many households look for a way to keep up with bills and make sure their families have memorable experiences. IRUSA's annual turkey distribution is a nationwide effort that supports neighbors in need. Moreover, volunteers make it all possible. These yearly distributions take place in major metropolitan areas like Southern California, Chicago, Washington, DC, and New Jersey.

# PROJECTS & GRANTS

Islamic Relief USA's Programs Department continuously works to assess the needs of individuals and families across America, while working with partners like United Way, IMAN Clinic, and more. Our nationwide projects provide aid to people of all ages and backgrounds, offering pathways to self-determination.

**IRUSA SUPPORTED 142 GRANTS ACROSS AMERICA IN 2018, INCLUDING 60 SILVER ANNIVERSARY GRANTS.**

Coming to the US as a refugee who speaks no English is hard—coping with psychological and physical disabilities at the same time is even harder. Basher endured unthinkable torture in Syria that left him paralyzed from the waist down, but shows incredible resilience despite all he has endured.

He was the first person served through IRUSA's refugee resettlement program in the southeast United States. The program supported him through English language classes, case management, job skills training, resume writing, physical therapy, and more. The program helped him on his way to becoming a proud college student with a 4.0 GPA, living in a new home with his family. He then secured employment and even took his first steps up a flight of stairs after working hard at physical therapy.

# MORE FEATURED GRANTS ACROSS THE U.S.

## Rehousing Youth for Success in Education NOVEMBER 2018 - NOVEMBER 2019

### **This project will help 118 people.**

IRUSA aims to reduce homelessness among students by providing youth and their families with affordable housing, case management, employment training, childcare, domestic violence counseling, and mental health services. All youth and their families should be granted safety and pathways to self-reliance. We're incredibly enthusiastic about our partnership with United Way to carry out this project; we awarded United Way of Roanoke Valley their largest grant to date.

## 5-Year Partnership to Build IMAN Family Health Center

JANUARY 2018 - OCTOBER 2022

**This project will help 6,700 people per year.**

IRUSA has funded the Inner City Muslim Action Network (IMAN) for years. IMAN is a community health and well-being center in southside Chicago, a service area where people are at higher risk of diabetes, cardiovascular disease, and others. For the next five years, we're proud to be supporting the renovation of IMAN's newly-purchased building.

The new IMAN-Islamic Relief USA Family Health Center will consist of five exam rooms and two behavioral health rooms, with the option to expand into eight exam rooms and increase staff based on client needs. Quality healthcare is a basic human right; this project makes that right reachable to the IMAN community.

## Assisting New Refugees and Immigrants

NOVEMBER 2018 - NOVEMBER 2019

**This project will help 1,800 people.**

This project will help new refugees and immigrants who are in dire need of financial assistance, employment, and case management support. ## GEARING UP TO PACK TWO MILLION MEALS

### IRUSA Seeks to Top 2018 Meal Pack Record by Packing Two Million Meals in 2019

Worldwide, one in every nine people live with extreme hunger—815 million people total. One way IRUSA responded in 2018 was by partnering with Rise Against Hunger to pack nearly 550,000 meals at 35 events in 14 cities across America. The meals were shipped to those in need throughout the world, to countries that include the Dominican Republic, Madagascar, the Philippines, and Uganda, and more. Volunteers, community groups, and religious organizations all participated.

So this year, the Meal Pack is back, but better. Volunteers have a new 2019 goal of packing two million meals, and this year many of them will go to families in need right here in America. Get involved or read more at [IRUSA.org/mealpack](http://IRUSA.org/mealpack). Learn about how you can become an IRUSA volunteer at [IRUSA.org/volunteer](http://IRUSA.org/volunteer).
