The loan amounts will be forgiven as long as the loan proceeds are used to cover payroll costs, and most mortgage interest, rent, and utility costs over the 8 week period after the loan is made; and Employee and compensation levels are maintained. Payroll costs are capped at $100,000 on an annualized basis for each employee. Due to likely high subscription, it is anticipated that not more than 25% of the forgiven amount may be for non-payroll costs. Loan payments will be deferred for 6 months.

Starting April 3, 2020, small businesses and sole proprietorships can apply for and receive loans to cover their payroll and other certain expenses through existing SBA lenders. Starting April 10, 2020, independent contractors and self-employed individuals can apply for and receive loans to cover their payroll and other certain expenses through existing SBA lenders. Other regulated lenders will be available to make these loans as soon as they are approved and enrolled in the program.

You can apply through any existing SBA lender or through any federally insured depository institution, federally insured credit union, and Farm Credit System institution that is participating. Other regulated lenders will be available to make these loans once they are approved and enrolled in the program. You should consult with your local lender as to whether it is participating. HOW LONG WILL THIS PROGRAM LAST? Although the program is open until June 30, 2020, we encourage you to apply as quickly as you can because there is a funding cap and lenders need time to process your loan.

HOW MUCH OF MY LOAN WILL BE FORGIVEN? You will owe money when your loan is due if you use the loan amount for anything other than payroll costs, mortgage interest, rent, and utilities payments over the 8 weeks after getting the loan. Due to likely high subscription, it is anticipated that not more than 25% of the forgiven amount may be for non-payroll costs.

YOU WILL ALSO OWE MONEY IF YOU DO NOT MAINTAIN YOUR STAFF AND PAYROLL.

• Number of Staff: Your loan forgiveness will be reduced if you decrease your full-time employee headcount.

• Current economic uncertainty makes the loan necessary to support your ongoing operations.

• The funds will be used to retain workers and maintain payroll or to make mortgage, lease, and utility payments.

• You have not and will not receive another loan under this program.
