Dear Friends:

Ramadan Mubarak!

For millions of Americans, the month of Ramadan represents a time for spiritual renewal, family gatherings, charitable activities, and giving thanks. Despite the COVID-19 Pandemic drastically altering our day to day lives, I applaud the continued efforts of Islamic Relief USA and Muslim Americans across the country to end hunger, poverty, and suffering throughout communities all over the world. This work is needed now more than ever as millions of individuals require immediate aid and relief in response to this unprecedented crisis facing our nation.

I also commend IRUSA for their recent \$1.9 million commitment to combat the impacts of the pandemic, with a specific focus on food security. These continued humanitarian efforts and anti-poverty contributions are inspiring and demonstrate your faith in action. All of IRUSA's advocacy goals, from ending world hunger to protecting the air we breathe and the water we drink, bring the world one step closer to peace and harmony.

Your desire to make a positive impact amidst these trying times is appreciated. Once again, Ramadan Mubarak and be well!

Sincerely,
