Dear Mr. Aly:

It is a pleasure to offer greetings as you begin the celebration of the Holy Month of Ramadan.

For the past decade, your organization and supporters have significantly impacted the lives of people all around the country. The funds that have been raised have increased healthcare access, provided education benefits and assistance for refugees. During this critical time, your efforts to partner with social service organizations and your anti-hunger and humanitarian relief efforts will certainly alleviate suffering for families who have been impacted by the global pandemic.

As you enter this month of fasting and charity, I thank your organization and supporters for your dedication and for your commitment to those who are too often forgotten in our society.

Best wishes for many more years of continued service.

Very Truly Yours,

ROBERT C. "BOBBY" SCOTT
