Dear Friends:

As we begin celebrating this holy month, I want to wish all of my Muslim friends a Ramadan Kareem.

Even in these difficult times, the strength and resilience of the Islamic Community shines bright. I would like to recognize Islamic Relief USA and the Islamic Community for their outstanding effort in humanitarian and anti-poverty aid. During this COVID-19 crisis, Islamic Relief USA has remained committed to the goal of combatting hunger through donations to food security programs. As of this month, through the generosity of the Islamic Community through Islamic Relief USA, that relief has spread to over forty anti-hunger organizations across the Country responding to the needs of the local community.

I am honored to recognize the generosity displayed by the Islamic Community and Islamic Relief USA as we all cope with these difficult times. As a country we are stronger united, and I am proud to stand with the Islamic Community here in New York 16 and across the country.

Sincerely,

A handwritten signature in blue ink that reads "Eliot L. Engel".
