Dear Friends,

Please accept my best wishes to you and your families for this month of Ramadan. May this month be one of blessings, reflection, and guidance for Muslim community members in the Granite State and across the country.

While families cannot all be together this Ramadan, I hope that the holy month will bring families together spiritually. I look forward to when families can gather in-person to take part in such meaningful religious traditions and practices.

I deeply value our Muslim American communities and I am inspired by the growing community of Muslim Americans in New Hampshire.

Ramadan mubarak,

Ann McLane Kuster  
Member of Congress
