Dear Friends,

Ramadan Mubarak! During these hard times, it is important to recognize the great humanitarian work that organizations like Islamic Relief USA provide. I wish you the best in celebrating this year and hope you will be able to celebrate in person together next year at your Annual Capitol Hill Interfaith Ramadan Dinner.

I applaud Islamic Relief USA for your work to end poverty, hunger, and suffering in communities across the United States. Your commitment to support health services is especially important as millions of Americans lost health insurance from their employers during the pandemic. As a Member of Congress, I also appreciate your dedication to engage leaders at the federal, state, and local level, as it allows me to better represent the interests of all constituents.

By protecting the constitutional rights of American Muslims, you support the rights of all Americans. Your work is vital to making democracy in this country work for everyone.

Sincerely,

Linda T. Sánchez
