Asalaam Alikum & Ramadan Mubarak,

From Detroit to Gaza, Islamic Relief USA has been on the front lines, showing up for our families during this global public health crisis. Millions of Americans have no access, or are in jeopardy of losing access, to water. The team at Islamic Relief USA has raised thousands of dollars to help our families nationwide and in Flint and Detroit, Michigan access water, at this especially crucial time.

The outreach and partnership by the team at Islamic Relief USA continues to expose our faith in the most profound way, in the service to others. It is my pleasure to join you all in wishing the staff, members, and volunteers of Islamic Relief USA a blessed, happy, and healthy Ramadan. Islamic Relief has always gone above and beyond to provide food and financial assistance to our nation's most vulnerable residents. As we mark more than a year of living with the coronavirus pandemic, I commend you for your hard work and generosity.

Every day, Islamic Relief USA truly embodies the values we uplift during Ramadan and is a paragon of selflessness in service to others. Thank you again for your outstanding work.

Sincerely,

A handwritten signature in blue ink that reads "Rashida Tlaib".
