**DAY OF DIGNITY**

**HELPING OUR NEIGHBORS IN NEED**

Day of Dignity creates an opportunity for caring individuals from diverse communities to provide services to their neighbors in need. Food, clothing, blankets, and hygiene kits are just some of the items distributed during Day of Dignity events. And, often, free medical care, screenings and even barber services are provided. Entertainment is part of the event too. It’s a day to come together and work together for a better world.

WHAT WE DO

ZAKAT & SADAQAH
Zakat given to Islamic Relief has the power to transform lives in over 30 countries. A fundamental pillar of Islam – Zakti is a revolutionary concept with the potential to ease the suering of millions around the world.

UDHIYA/QURBANI & RAMADAN
Udhiyah (also referred to as Qurbani) marks the end of Hajj (pilgrimage), and is a time to relect upon the significance of sacrifice with the Islamic tradition. Muslims observe Udhiyah/Qurbani by sharing meat with the less fortunate.

HEALTH & NUTRITION PROJECTS
Good health is about more than just medicine and treatment; it includes all areas of life – that’s why we train communities on diet and health practices, and provide school meals to prevent child malnutrition.

LIVELIHOOD
A sustainable livelihood is essential to bring communities out of poverty. Islamic Relief Canada works with the most vulnerable families to help them earn an income to fulﬁll their basic needs.

W.A.S.H.
Adequate water, sanitation and hygiene are essential components of providing basic health services to communities. Islamic Relief Canada works hard to provide clean and safe drinking water to the most vulnerable communities to help ensure a healthy life for the people we serve.

EDUCATION & TRAINING PROJECTS
Millions across the developing world cannot access education for one simple reason: poverty. However, education would help them escape poverty – by giving them the chance of a better job – and the impact of this would carry on down the generations.

EMERGENCY RELIEF
Islamic Relief aims to be the ﬁrst on the ground when an emergency strikes, helping those aected immediately. They can’t aord to wait for us to raise funds before we help, so it’s essential we’re prepared before the disaster hits.

SCRAMBLE FORMAT

4-person team scramble. Lowest team scores over 18 holes will determine the winners.

**NOTE:** If you do not enter a 4-person team, you will be placed on a team with other golfers.

METHOD OF PLAY

1. Each group will select a team captain prior to teeing off.
2. Play begins with each member of the group teeing off on the black tees.
3. With the agreement of the other members of the group, the team captain decides which drive is the most desirable.
4. The other members of the group pick up their balls and proceed to the spot of the selected drive, where they will hit their second shots.
5. The best of the second shots is then chosen. The group will then hit their third shots (or putts) from that spot.
6. This procedure continues until the ball is in the hole.
7. At the end of each hole, the single score for the group is recorded on the card.

OTHER RULES

8. For scoring purposes, each player’s drive must be used at least twice during the tournament.
9. Place balls within one club length of the original ball.
10. In placing the ball, you may not change the condition of the shot. If the ball is in a hazard or rough, all members of the team must play their shot from the hazard or rough, respectively.
11. On the putting green, place the ball within 3 inches of the original ball, and such that it is no closer to the hole than the original.
12. On the putting green, give each person a shot at the first putt. Do not hole out a short putt if you have missed your first putt. The first ball in must count. Mark your ball and wait.
13. If playing as a threesome, one member of the threesome may, on a rotational basis, hit or putt an extra time to compensate for the fourth person.
14. Each player will start with one mulligan. Additional mulligans can be bought before the round for $5, which will go to charity. Mulligans must be announced to the team captain and cannot be withdrawn once hit.
15. No handicap scoring will be used at this tournament.
16. In the event of a tie no playoff holes will be played and the tournament organizers will determine the top three team
17. Individual registrants can indicate preferred teammates, otherwise the organizers will determine team placement
We are honoured to continue their partnership with SickKids Canada for the Palestinian Healthy Child Fellowship program. The Fellowship program empowers Palestinian doctors in the field of medicine. Palestinian residents are trained by some of the most prestigious doctors in Ontario, and, upon completion of their fellowship, return to Gaza where they practice medicine in the most besieged areas.

Alhamdulilah, because of the support of generous donors like yourselves, we have trained 7 fellows throughout the last few years. We need to continue supporting and nurturing the spirit of these courageous Palestinian doctors and we cannot do it alone.

150 people giving just $1000 each can fund this fellowship and save countless lives. Will you be part of the Fortunate 150? Ask us how you can contribute to this great cause.
