Ramadan Mubarak! To all who are observing Ramadan, I wish you joy, safety, peace, and prosperity.

Our community in Central Florida is made stronger every day by the faith, friendship, and contributions of our Muslim community. I have been honored to work with faith leaders throughout my time as a police officer, Chief of Police, and Member of Congress, to ensure that every member of our community is safe and has an opportunity to prosper in peace and freedom. Thank you again for all you do to make our region the special place that it is.

As a woman of faith, I believe strongly in the power of our spirituality to help us build a more perfect union and a more perfect Florida. Our shared values are a building stone from which we can work every day.

As you fast, pray and reflect this month, know that you have a friend and partner in Congress. I am glad to count you as neighbors. Through faith, charity, love, and compassion, we become a stronger community and a beacon of hope around the world.

On the behalf of Florida's 10th District, Ramadan Mubarak, Eid Mubarak, and be safe.

Sincerely,

A handwritten signature in blue ink that reads "Val Demings".
