Greetings,

I want to wish the Muslim community across Brooklyn, New York City and the United States a Happy Ramadan.

During this season, we are reminded of and reflect on the challenges from the year past as well as the bright future filled with hope and opportunity ahead of us. May we continue to help our neighbors and friends in need and share and celebrate joy, kindness and resilience throughout the world.

I wish Ramadan Mubarak to the entire community and pray for prosperity, health and happiness this season.

Best Regards,
