Dear Friends,

Ramadan Mubarak to the Muslim community in Prince George's and Montgomery Counties, the United States, and across the globe! May the month of Ramadan and beyond be filled with joy, peace, and good health.

Among the many purposes of Ramadan are to connect with one's community, assist one another, and uplift each other. I came to Congress to create positive change for the many different communities I represent; therefore, Ramadan's message of giving back to our community is an admirable one.

I commend Islamic Relief USA (IRUSA) for the work they do to provide food security, healthcare access, financial assistance, and refugee support services to those in need. I especially appreciate IRUSA's partnerships with Al-Huda Inc. and Ansar ul-Birr Community Services, which provide aid to constituents within Maryland's Fourth Congressional District.

Looking ahead, I will continue to highlight the community-based values that are part of the central messages of Ramadan. Once again, I wish you a month of happiness, contemplative focus, and health.

Sincerely,

Glenn F. Ivey  
Member of Congress
