March 22, 2023

Greetings,

Ramadan Mubarak! It is an honor to join you in celebrating the start of this holy month. I would also like to commend Islamic Relief USA for its selfless acts of charity and dedicated efforts in combating food insecurity.

It is incredible to witness the impact you have made as a faith-based organization that supports the strengthening of our food and nutrition programs in the 2023 Farm Bill. I am truly amazed by your commitments in collaborating with other organizations across the country to advocate for impoverished communities by addressing the growing concerns of hunger and lack of food resources.

I hope that you greatly benefit from this month of spiritual growth and fasting. I am proud to represent a remarkably diverse Muslim American community that is grounded in philanthropic excellence and social justice.

Sincerely,
