Dear Friends,

Eid Mubarak! I would like to personally send my wishes for a joyful and celebratory Eid al-Fitr. I hope this holy month of Ramadan has brought you peace, strength, and joy.

I join you in giving thanks for the blessings of this past year and I am proud to work alongside California's Muslim community to advance justice across the state and around the world. Once again, Eid Mubarak to you and your families!

Sincerely,

A handwritten signature in blue ink, appearing to read "Alex Padilla", written in a cursive style.
