

# OUR WORK ACROSS KENYA

## OVERVIEW

4.1 M

people are facing acute food insecurity

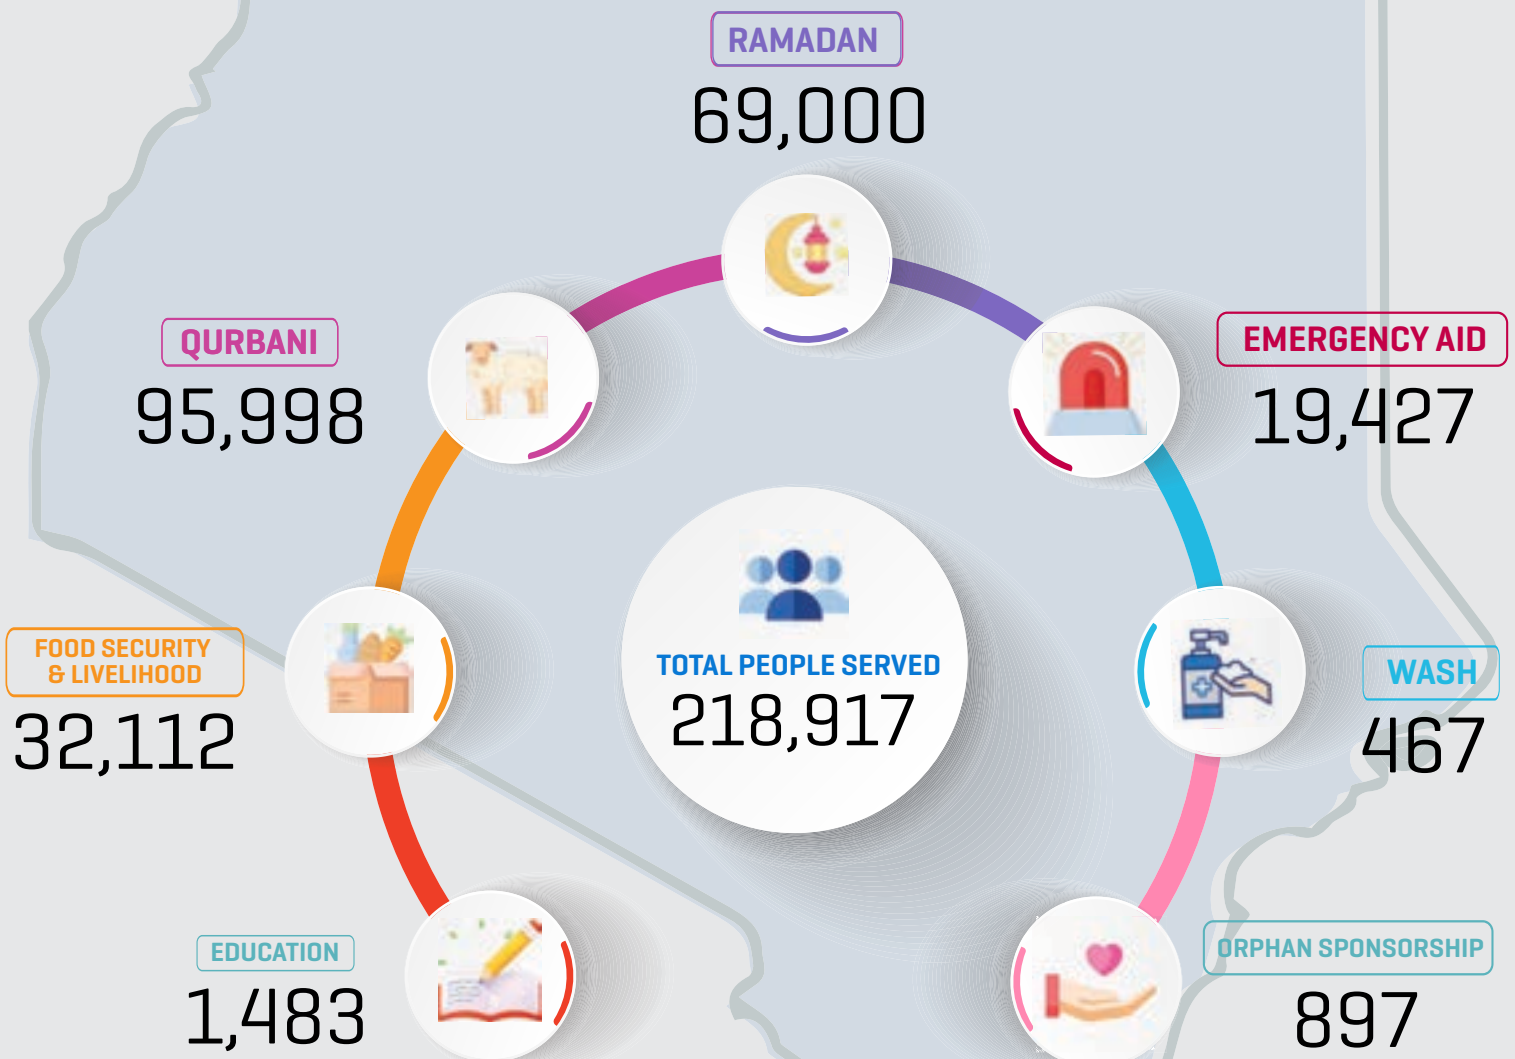

884,500

children suffer from acute malnutrition

4.1 M

people lack access to water

## YOUR DONATIONS IN ACTION: 2022 AT A GLANCE

## PROJECT SPOTLIGHT: *Access to Basic Needs in Kenya*

Islamic Relief is working to provide access to basic needs including clean water and education to vulnerable communities living in the Tana River region of Kenya. We're helping families and farmers build sustainable livelihoods through the desilting of one water dam and rehabilitation of five other strategic water sources, all of which will be equipped with solar pumping and water reticulation systems. In addition, six community-led committees will be formed and trained on resource management and water conservation during seasons of stressed resources such as drought.

We're also helping children receive inclusive, quality, education through the rehabilitation of two primary schools. This includes the construction of 14 new classrooms and one dining hall; the provision of essential learning material, including assistive aids for children with disabilities; and gender-sensitive sanitation facilities that are also disability-friendly.

ESTIMATED NUMBER OF  
PEOPLE TO BE SUPPORTED

**3,000+**

Start date: **January 2022**  
Close date: **October 2023**

## THANK YOU

**Thank you for your continuous support of Islamic Relief.** Your donations help provide access to basic needs for vulnerable families across Kenya. The impact of your investment is incredible so far, masha'Allah, and we pray that you continue to work with us. May Allah reward you for your compassion and humanitarianism.
