PALESTINE REPORT

PROJECT IMPACT FOOD AID

OVERVIEW

After two years of continued violence in Gaza, over half a million people now face catastrophic levels of starvation and another 1 million people are facing emergency levels of hunger, according to the Integrated Food Security Phase Classification [IPC]. Thanks to donors like you, IRUSA is working to provide vital food aid to families in need.

CURRENT PROJECTS

PROJECT IMPACT HEALTHCARE

OVERVIEW

Gaza's health system has been steadily unraveling before our eyes, deteriorating with each passing year — 36% of primary healthcare centers and 50% of hospitals have completely shut down, with most of those remaining only partially functional. Doctors are overwhelmed, patients go untreated, and entire communities lack access to even the most basic medical care. Thanks to your support, IRUSA is working to provide proper healthcare to people in need.
