IRUSA MISSION, VISION, AND VALUES

VALUES

Our actions in tackling poverty are marked by excellence in our operations and conduct, which are deserving of the people we serve.

In responding to poverty and suffering, our efforts are driven by sincerity to God and the need to fulfill our obligations to humanity.

We believe the protection and well-being of every life is of paramount importance and we shall join with other humanitarians to act as one in responding to suffering brought on by disasters, poverty, and injustice.

We uphold our duty of custodianship over the Earth, its resources and the trust people place in us as humanitarian and development practitioners. We are transparent and accountable.

Our work is founded on enabling people and institutions to fulfill the rights of the poor and vulnerable. We work to empower the dispossessed toward realizing their God-given human potential and developing their capabilities and resources.

MISSION

Islamic Relief USA provides relief and development in a dignified manner regardless of gender, race, or religion, and works to empower individuals in their communities and give them a voice in the world.

LETTER FROM IRUSA CEO

Assalamu alaikum,

As the Chief Executive Officer of Islamic Relief USA (IRUSA), the largest Muslim faith-based nonprofit organization in the United States, and one of the largest in the world, I want to sincerely thank all of our donors, volunteers, staff, and partners. Because of your efforts, we were able to support 7,006,526 people across 49 countries in 2024.

Throughout 2024, our hearts were one with those affected by poverty and forced displacement at the hands of natural disasters and man-made devastation. It is absolutely heart-breaking how many people across how many countries needed emergency response, but, through your support and compassion, we were able to provide that critical aid to families in places like Afghanistan, Bangladesh, Ethiopia, Kenya, Libya, Morocco, Pakistan, Palestine, the Philippines, Somalia, Sudan, Syria, and Ukraine.

And thanks to you, we helped curb food insecurity in the US and abroad by providing 406,335 Ramadan food boxes and 976,605 people with Qurbani meat. We invested more than \$120 million in international and domestic aid through 426 global and US projects across eight sectors: education; emergency response; food security and livelihood; health and nutrition; orphan sponsorship and support; water, sanitation, and hygiene; community development; and refugee and immigrant services.

None of this would have been possible without you. As your CEO, I hope that together, we can change the global environment until every individual we serve no longer needs assistance. May Allah (SWT) reward all our efforts.

With gratitude,

Ahmed Shehata

365 DAYS OF NON-STOP GLOBAL IMPACT

The overall financial figures in this report were drawn from our 2024 audited financial statements or 2024 IRS Form 990. Detailed country financial data was drawn from grant records and reports from the implementing party in the field. The 49 countries mentioned on this page include the US. Estimates of total people served are based on project reports from the implementing party in the field or other quantifiable data sources. The total is calculated by including any participant who received aid in 2024 through an IRUSA-funded project or Gifts-in-Kind aid. For projects funded and implemented over several years, it is possible for the same participant to receive aid over several years, and thus be included more than once. In this circumstance, we count that person once per calendar year. A person of multiple projects may be counted more than once. Efforts towards eliminating this in future reports are in motion.
